

# DO MORE THIS SUMMER

## Be a Camp Nurse

Crossroads is a nonprofit based in Duxbury MA and operates residential summer camps serving campers from Boston and Eastern Massachusetts. We are recruiting a team of RN's who want to spend their summer making a life-changing impact on incredible, high potential young people.

The nurses administer medications, respond to illnesses and injuries, and promote good health. All of this in a beautiful summer camp setting. The experience is excellent for nurses interested in exploring pediatrics, community health, school nursing or a variety of other careers.

While schedules can be flexible, preference is given to RN's that can commit to one or more sessions:

- Session 1: June 26 - July 7
- Session 2: July 10 - July 22
- Session 3: July 24 - August 4
- Session 4: August 7 - August 18

**Salary: \$3,500 per session.**

**Positions include room and board (overnight coverage expected for up to 6 nights).**
