## CiT Coordinator Job Description

### **Position Summary**

The Counselor-in-Training Coordinator helps direct our Leadership and Counselor-in-Training Program for our 15-17 year olds. In this program, our CiTs learn the specific skillsets we use to entertain and educate our campers including: theatrical design, acting, game design, makeup, costuming, camp counseling, mentoring, and teaching. The coordinator for this program will help design and implement the training for the campers using pre-existing programming and support from the admin team. The coordinator will work with our camp director, logistics director, and counselors to see that our CiTs have support, feedback, and hands-on training. The CiT coordinator will work as a liaison between the admin positions and the CiTs to ensure feedback is delivered in a constructive manner. Prior experience working as a supervisor, camp counselor, and mentor to teens is preferred.

### **Pay Rate and Employment Length:**

This position starts at \$475 a week up to \$525 based on experience. The position runs for eight weeks of the summer between June 18th and August 12th.
